

Canada's national laboratory
for particle and nuclear physics
and accelerator-based science

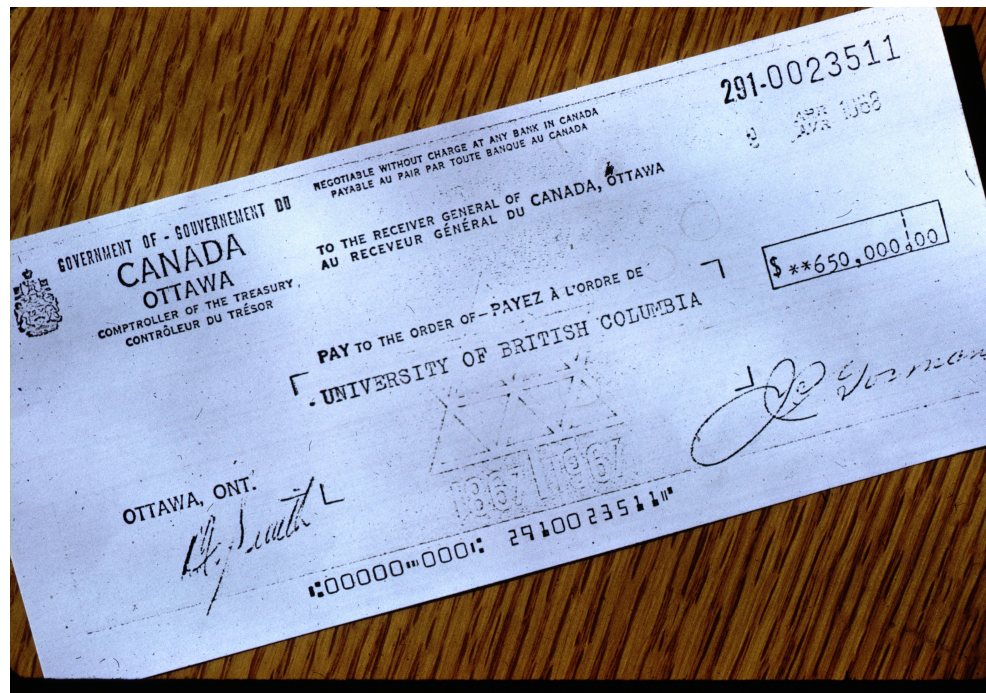

An Overview of TRIUMF's 50th Anniversary Programming

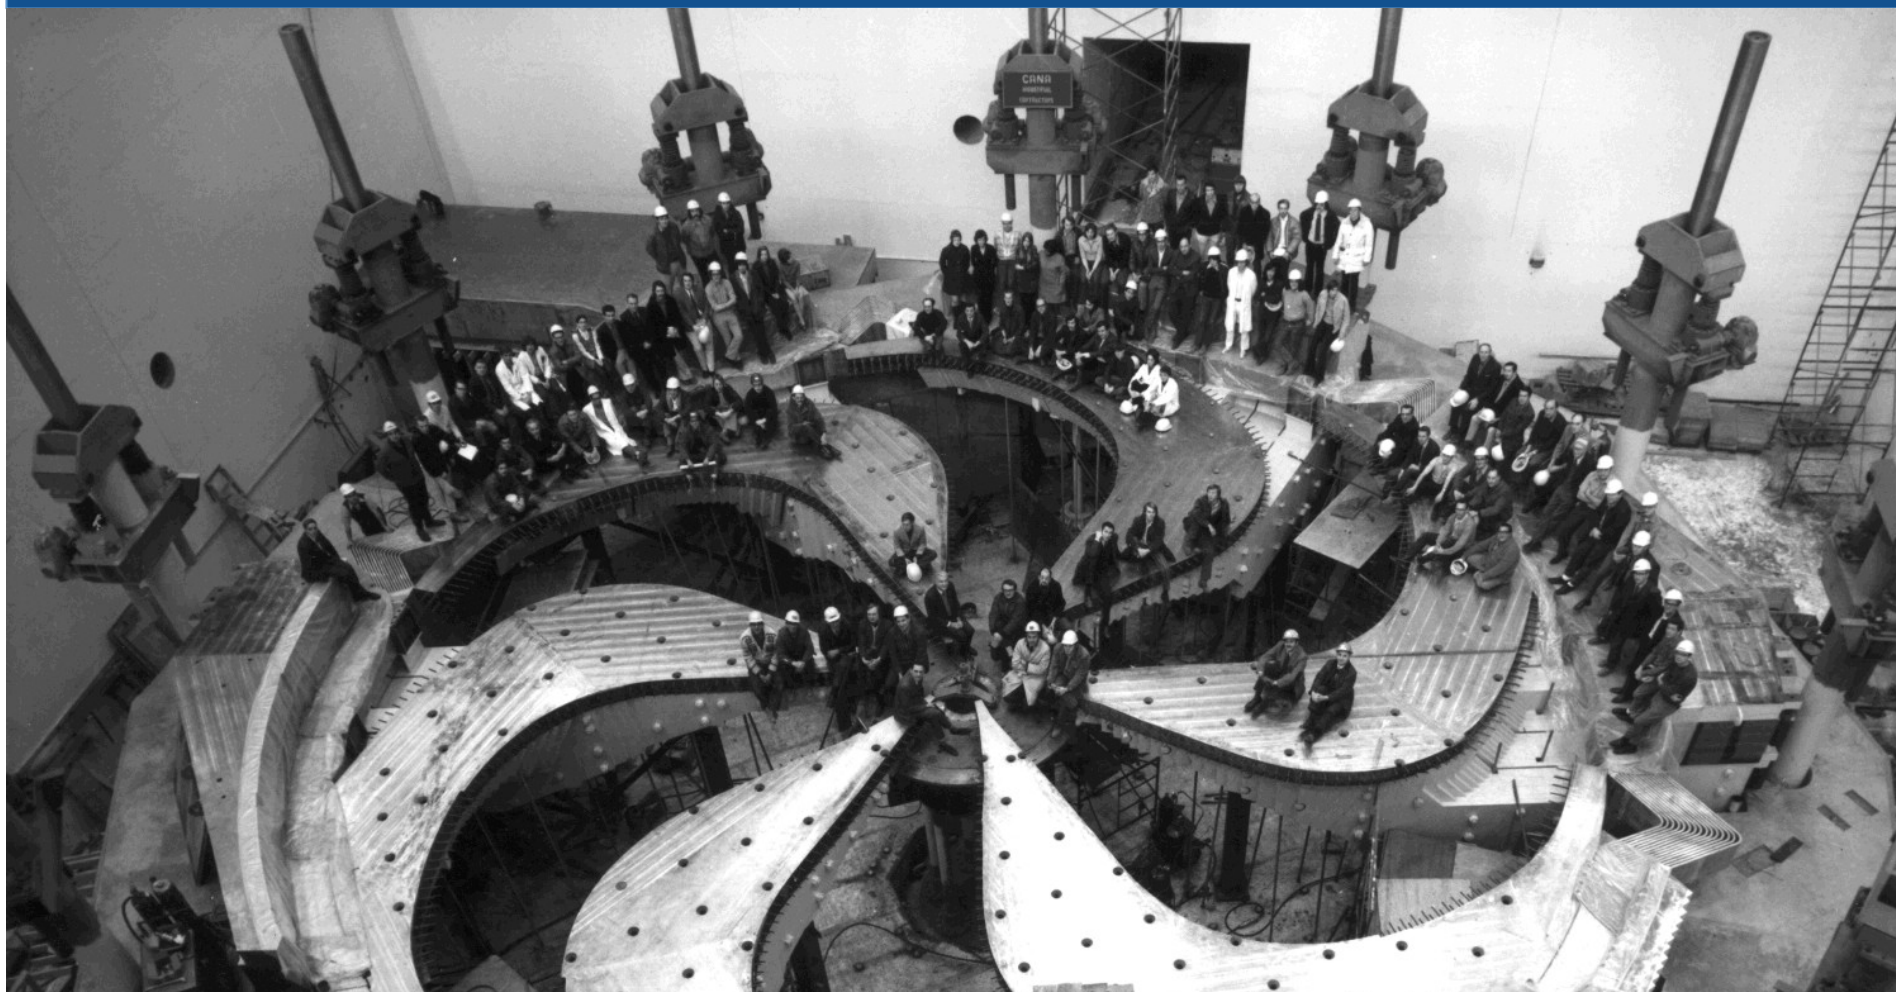

Carla Rodrigo
Communications Associate – Special Projects

Sept 21, 2017

What are we celebrating?

1. Innovative people
2. A collaborative spirit

TRIUMF50

Celebrating a Community of Innovators

1. Record and retell the rich history of TRIUMF, and celebrate the work of past and current TRIUMF staff and collaborators.

2. Reinvigorate public engagement with the lab by providing our key stakeholders with opportunities to celebrate this milestone with us, and build excitement for the future.

3. Highlight TRIUMF's partnerships, locally, nationally, and globally, and deepen these connections as we prepare for the next 50 years and beyond.

4. Get the community excited about what the future holds for Canada's particle accelerator centre – it's our birthday after all!

- Official Commemoration Ceremony (Spring 2018)
 - Formal celebration with VIPs to mark our 50th year
- Summer Celebration (July 2018)
 - Community BBQ with games, prizes, etc.
- **Science Week Symposium (July 2018)**
 - A special scientific symposium celebrating scientific milestones, with opportunities for virtual participation
- Open House (September 2018)
 - A day for the public to come see the lab first hand and participate in demos, talks, etc.
- Enhanced Mid-Winter Celebration (January 2019)
 - Wrap-up event for the year, thank-you to the lab

- DiscoverTHIS Panels (April, August & November)
 - Public panel discussions between members of the lab
- Unveiling the Universe Lectures (February, May & October)
 - Public science lectures
- Misc. public engagement events at community festivals (Summer 2018)

- Celebrate with us!
- Volunteer at events, if possible
- Assist with the symposium (details to come)
- **Stories & histories**
