

Joop Burgerjon, 1924-2015

Dear Colleagues,

It is with regret that I inform you that Joop Burgerjon passed away on Wednesday, May 27. Joop was the first TRIUMF employee. He was hired as the Chief Engineer of the TRIUMF cyclotron project in July 1966. Joop was very active in the Sunshine Coast Natural History Society and was instrumental in setting up the Sargeant Bay Provincial Park. No service by request. Donations in Joop's memory can be made to the Sargeant Bay Society (<http://www.sargbay.ca>).

Joop is survived by his daughters, Miep and Paula.
